

# **Kamienne litery – alfabet do druku, wyklejania, układania i malowania**

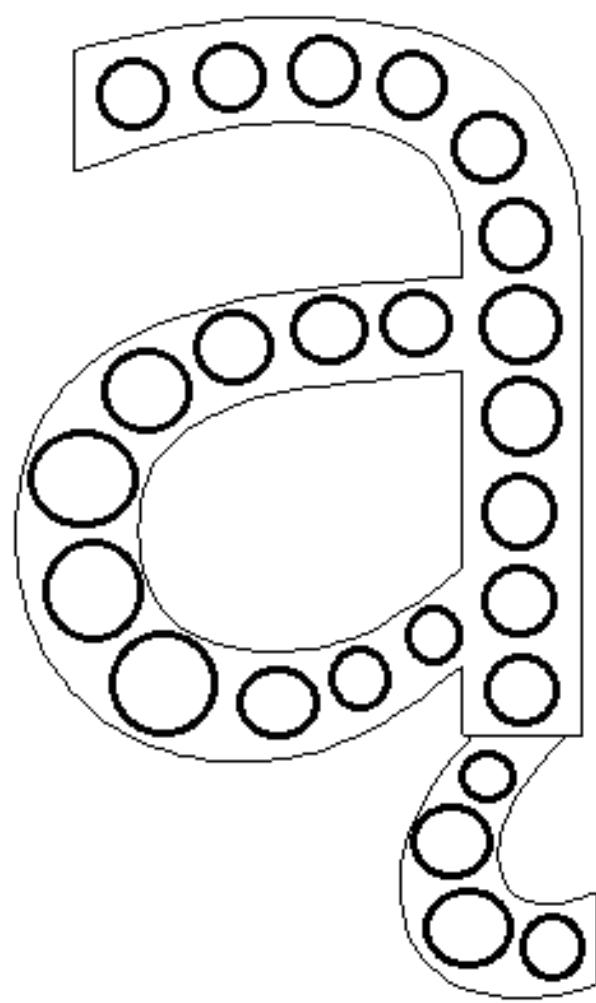

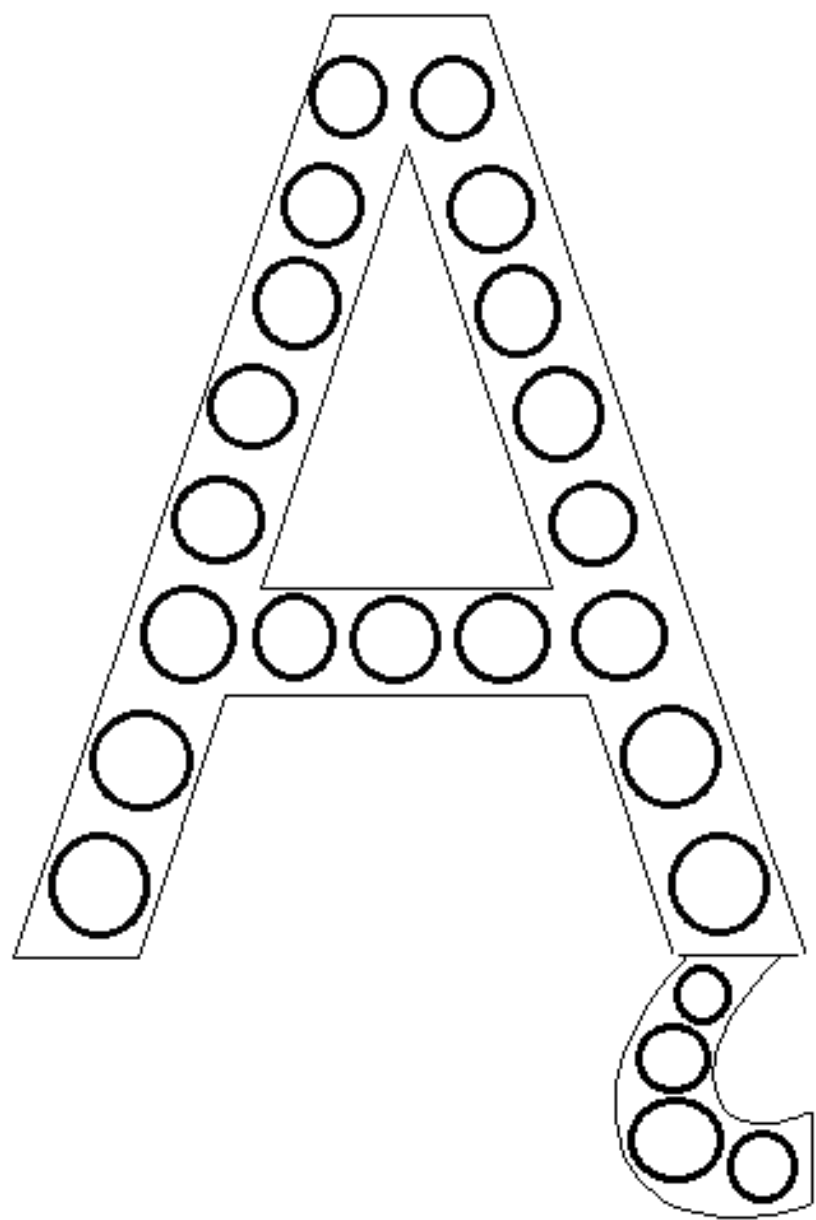

Kamienne litery, to ciekawy pomysł na zabawę i naukę z wykorzystaniem naturalnych elementów przyrody dla młodszych dzieci. Można w ten sposób wprowadzić dziecko w świat samogłosek i sylab. Układanie literek z kamyków to świetna zabawa sensoryczna i twórcza. Alfabet można również wyklejać plasteliną, lub malować literki stemplując palcem umoczone w farbie
